

## STEP 1

Place your 3 drawer chest in the location you desire to have it against the wall.

## STEP 2

Mark on the wall lightly with a pencil, the top center of the chest.

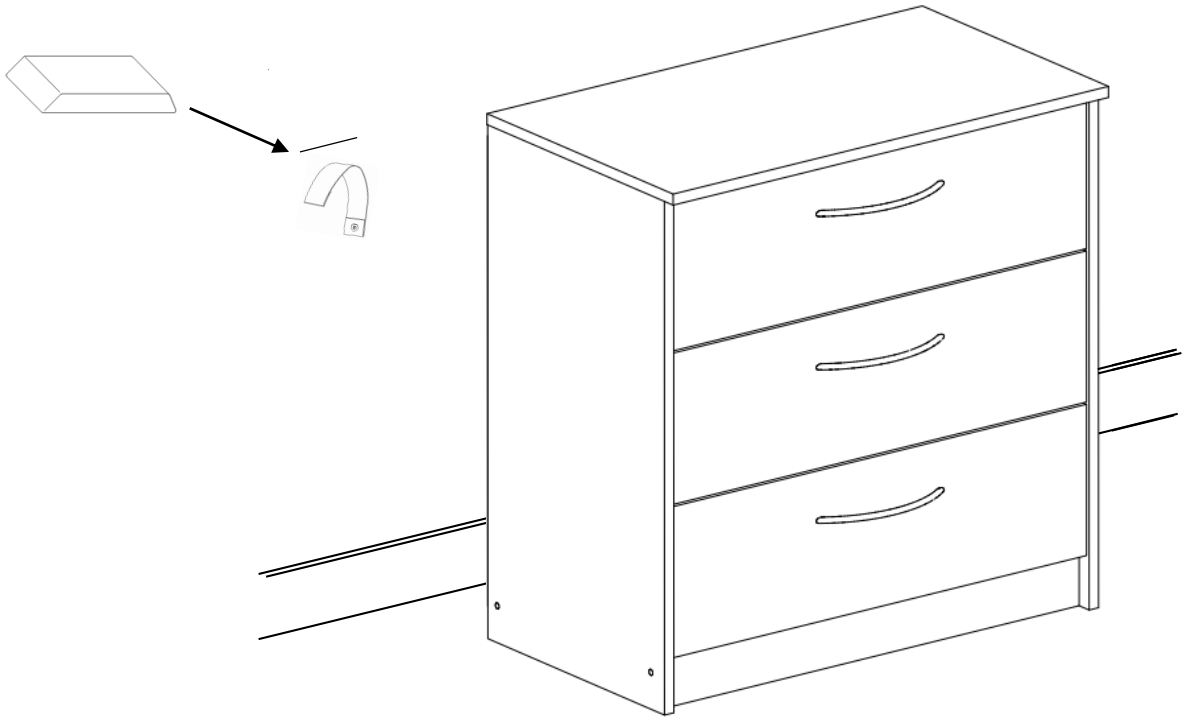

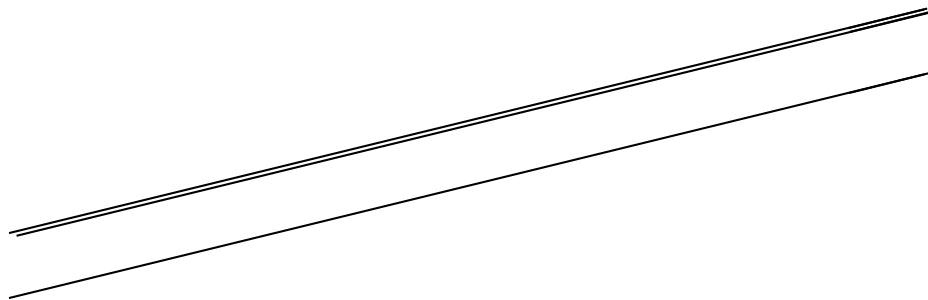

## STEP 9

Erase the pencil marks that are exposed.

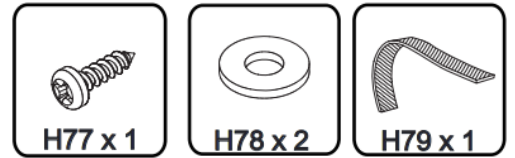

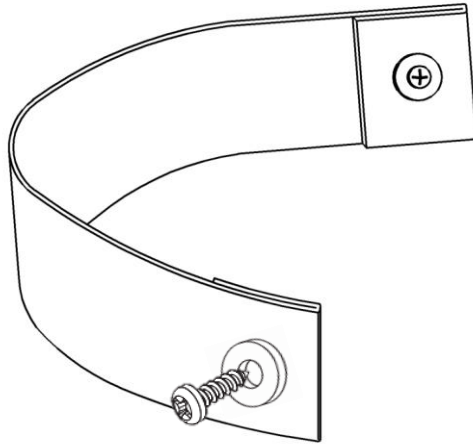

## STEP 10

Place your 3 drawer chest again where you want it located.

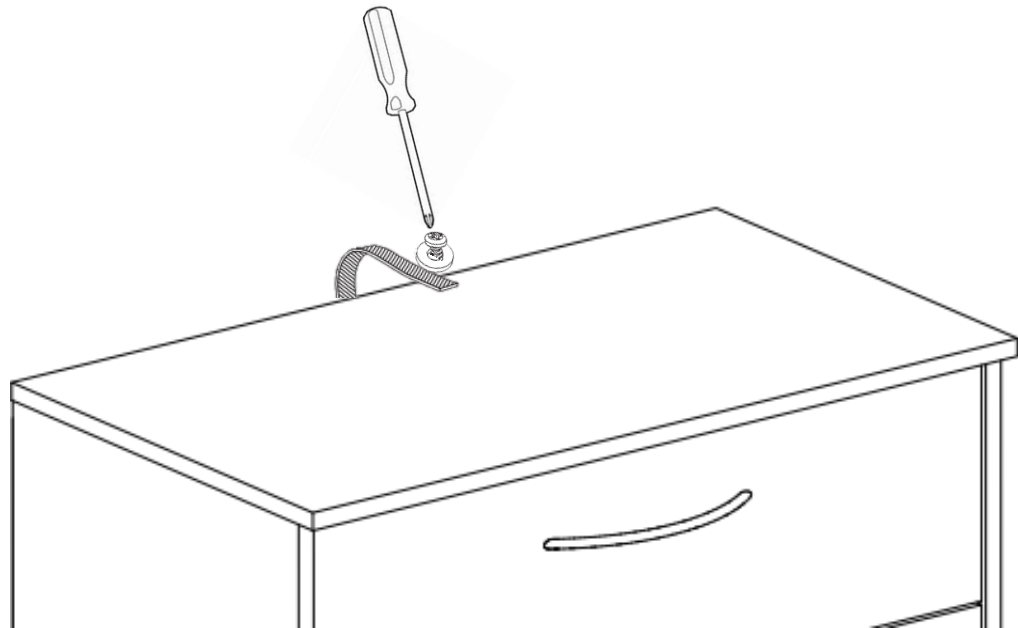

## STEP 11

Insert the wood screw (part H77) into the washer (part H78). Then by hand, screw (part H77) through the weaved strap (part H79) in the center of the second folded over and sewn end.

## STEP 12 (Final Step)

To attach the strap to the dresser, tightly wrap the assembled anti-tip strap (part H77, part H78 and part H79) over the top of the 3 drawer chest. Then completely screw (part H77) the screw into the top of the 3 drawer chest.

Job completed. Thank you! Homestar LTD. If you have further questions please email
